Delivering **Confidence**

# Moffett Liquefied Petroleum Gas

**The MOFFETT Truck-mounted Forklift provides a safe and efficient method of gas distribution. With no loss of load spaces and discreet delivery of your product; MOFFETT is the right choice.**

The MOFFETT is fitted with a spark arrester to prevent sparks as well as an isolation switch to allow the driver to turn off the electrics and there is an insulated earth to increase safety.

## Liquefied Petroleum Gas

For more than 40 years, MOFFETT has been manufacturing Truck-mounted Forklifts; a load handling solution that has helped transform the way materials are distributed across the globe.

MOFFETT Truck-mounted Forklifts are renowned for their excellent performance on difficult terrain, confined spaces, steep gradients or debris covered areas.

On site, your MOFFETT Truck-mounted Forklift is ready to get to work in less than a minute and can be carried on the back of almost any truck or trailer with no loss of load space.

Having a MOFFETT Truck-mounted Forklift means you can have faster, safer, and more cost effective deliveries.

With its high lift capacity, robust design and a wide range of attachments such as clamps, different fork options and positioners, the MOFFETT Truck-mounted Forklift easily handles gas containers on site or in the yard.

- Safe and easy to use
- Higher productivity
- No loss of load space
- Flexibility and control of delivery schedules
- Delivery where needed
- Creates time to make more deliveries
- Flexibility on return loads
- A proven competitive advantage
